A Note From Administration

Can you believe it is December already? We have had such a wonderful fall time and now we get to jump into the Christmas season. The kids have been working so hard on their Christmas Program! It is so sweet to hear their little voices sing about Jesus being born.

We have also continued practicing thankfulness in our morning prayer time. We always try to spend more time thanking God in our prayer time than we do asking for things from Him. The children have the sweetest things they are thankful for such as being thankful for mommy and daddy, their pets, their toys, their teachers, and so much more!

As we get closer to Christmas, we are learning about the birth of Jesus. We have learned that Jesus is God's son and He came to be born on Earth in a barn. The kid's think it is crazy that Jesus' crib was a feed trough!

This Christmas we hope to foster a love and wonder for Christmas because that is when Jesus came into the world so He could be our Savior. We will continue to talk about the life of Jesus between now and Easter during our morning Bible and prayer time. We wish you all a wonderful Christmas and cannot wait to see what God has planned for Park Street School in 2024!
